

# Site privacy/ Terms & Conditions

This policy applies to this website which is operated by Aum Capital Market Pvt Ltd. (ACMPL) under the domain name <https://ibt.aumtrading.com>. We at ACMPL understand your concern for confidentiality and security of information that we may gain about you online. Aum Capital is committed to protecting your privacy. This privacy and Terms & Conditions statement explains how your personal information will be treated as you access and interact with the ACMPL website. The personal information that we collect may be classified into three parts.

1. Personally Identifiable Information 2. Transaction details. 3. System information

**Personally Identifiable Information:** This comprises the information at the time of opening the account or registering online. The information includes the name, address, phone number, email address and other such information as is required from time to time based on regulatory requirement or any other requirement.

**Transaction details:** Information regarding your investments, including balances, positions, and history of transactions available with us.

**System information:** Information about computer hardware and software including information like your IP address, browser type, domain names, access times and referring Web site addresses etc that may be collected by <https://ibt.aumtrading.com>.

We will protect the Personally Identifiable Information, transaction details and system info with the reasonable degree of care, to prevent the unauthorized use, dissemination, or publication of this information as we protect our own confidential information of a like nature.

We would not disclose the personal information to third parties, except under the following circumstances: Clients personal information may be used by ACMPL and its Affiliates for the purpose of offering products and/or services that may interest our clients and help to learn about products and/or services that are offered to the public by us and our affiliates. We may also use personal information to improve our services and to keep our clients updated. We may disclose clients personal information to companies that provide support services for processing application and transactions and such disclosure would be limited to the performance of the specific service we have requested. We may disclose clients personal information in limited circumstances where disclosures have to be made under the various regulations of Indian Laws or to any governmental agency or regulatory bodies. We also reserve the right to disclose personal information in limited circumstances where we believe in good faith that disclosure is required under the law, to cooperate with law enforcement authorities, to perform necessary credit checks or collect or report debts owed to us and in all other instances that may be reasonably necessary for us to protect our rights or property. ACMPL will ensure that any party such as an agent or employee to whom it may be necessary to disclose personal information, in turn, respects the confidentiality of such information. We constantly update our security systems to ensure that any confidential information communicated to us remains safe. We may also ensure that clients personal information is protected by confidentiality agreement with third party whenever it is disclosed to them, so as to enable them to provide you certain specified services. We ensure that the personal information given to us by our clients at the time of filling up the application form would be stored in a safe and secure place. We ensure that the personal information on the web is placed in the secured portion of our web-site. We use an advanced 128 bit encryption technology, the Secure Socket Layer (SSL), which is one of the best available technology to ensure that the information transmitted between you and us across the Internet is

safe and cannot be accessed by any outsider. SSL has been universally accepted on the World Wide Web for authenticated and encrypted communication between clients and servers. Whenever clients close their account(s) all records pertaining to information would be kept for such period of time as is required by law and/or any other regulatory bodies. To ensure security of access to the personal information and transaction details, the access to the secured zone of our website is restricted by the unique Login ID and Password. Clients should be very careful in handling the ID and Password and should ensure not to reveal it to anybody, nor to keep it in writing. Clients are instructed to keep changing password periodically. Our site also alerts to change password mandatorily upon the period of 14 days. As a matter of precaution we always give the details of last login each time clients log on to our site. To ensure safety of trading access, our technology automatically logs out of the site if no activity is registered for 15 minutes. However, clients are instructed to logout each time before leaving the terminal. This prevents someone else from accessing account if clients leave their computer and clients session has not "timed out". We use "cookies" as a fundamental part of our interaction with internet browser. Our purpose is to provide a better and more customised service and with a more effective website. These cookies will expire the moment clients log off the system and would not be accessible to any other application under any conditions. We will preserve the contents of any e-mail that clients send us if we believe that we have a legal requirement to do so. Any personal information in e-mail including e-mail address will be used or disclosed in ways set out in this privacy statement. E-mail message content may be monitored by our internet service provider or ACMPL employees for trouble shooting and maintenance purposes or where e-mail abuse is suspected. ACMPL regularly reviews the developments in security and encryption technologies. Unfortunately, no data transmission over the internet can be guaranteed as totally secured. Accordingly, although ACMPL strives to protect such information, we cannot ensure or warrant the security of any information transmit to us and clients do so at their own risk. Once we receive clients' transmission we take reasonable steps to preserve the security of the information in our own systems. For more efficiency, ACMPL may join hands with another company to offer or provide products and services, both parties may cross-refer their databases to search for customers in common. This existing information may be used to help identify business alliance opportunities and to enhance the information already contained in the existing databases. ACMPL on its own, or jointly with other organizations and Websites may offer contests, sweepstakes, and promotions. Clients may opt not to participate in these special promotions if they do not want to receive information about contests, sweepstakes & promotions or share their information with all sponsoring parties. Potential customers applying online for trading account have the ability to opt out of the application process before completing it. However, we may use the information gathered on the application form during this process to send clients further information about Aum Capital services and products we believe may be of interest to you. To enable us serve you better, it is necessary that client's personal information available with us is accurate and updated. Clients can also send e-mail at [helpdesk@aumcap.com](mailto:helpdesk@aumcap.com) and we would ensure that information is updated and protected from any misuse or unauthorised revelation. Clients acknowledge and accept that use of the Aum Capital website indicates acceptance of the "Aum Capital Website Disclaimer" and the "Privacy and Terms & Conditions Statement".

ACMPL may, at any time, vary the privacy and security statement by publishing the varied privacy and security statement on the Aum Capital Website.
